Practitioners/Teachers:

13.30: INTRODUCTION

Introduction to Tricky Topics and the Teaching Tricky Topic (TTT) Process. The process has three stages (Identify, Capture and Assess). This workshop will introduce you to the whole process but you will only complete the first two stages (Identify and Capture) during this workshop. You may start the final 'Assess' stage but this will be completed at a later date (in school).

13.45: IDENTIFY (in groups of 3 or 4)

- Each group to identify and break down a Tricky Topic (brainstorm on blank sheet)
- In same small groups pull out key Stumbling Blocks and Problems onto Mapping Diagram
- **Why** are these Tricky Topics? Group discussion (with post-it notes/flip-charts/whiteboard)

Comfort break if required

15.00: CAPTURE (and begin ASSESS)

Groups dispersed to use available computers to capture Tricky Topics, Stumbling Blocks and Problems onto the Tricky Topic Tool (using Mapping Diagram as a guide).

Then begin to design a Quiz on the Tricky Topic Tool (to be completed after the workshop)

16.15: PLENARY
